

RWP SCHOLARSHIP APPLICATION

10 partial scholarships of \$100 will be available for the 2017 riding year. Full scholarships may be available upon request. Please set up appointment with Director to talk about full scholarships.

Initial priority will be given to students who complete and return the scholarship application form to RWP no later than 30 days prior to the start of the session. If applying within 30 days and scholarships are still available, applications will still be considered.

Criteria will be based on household income and need, and will be decided on by the Director.

If a student is denied a scholarship in one session, he/she may reapply for another session.
